

Israel Bible Tour: Reinvigorate Your Bible Reading & Teaching

Taking an Israel Bible Tour is one of the most effective ways for believers to reconnect with their faith's roots and revitalise their Biblical study.

Coral Travel & Tours experts have organized each tour to take you to the most important biblical sites and prayer sites in Israel that you have learned about in your biblical studies, such as:

Temple Mount Southern Wall

The Southern Wall is one of the few remaining walls of the Old City, dating back to King Herod's expansion of the Second Temple.

Jaffa

One of the world's oldest cities, Joppa, is described in the Bible as the world's oldest harbour and the location where the prophet Jonah set sail for Tarshish.

Garden of Gethsemane

This garden is most famous for being the location of Jesus' final hours of prayer before being betrayed and arrested.

Church of All Nations

Antonio Barluzzi designed this church in 1924. It was built on the ruins of a Byzantine church built in the fourth century and later rebuilt to a basilica by the Crusaders.

A Journey of a Lifetime

You will be able to learn about these and many other places. Coral's friendly and expert staff will ensure your tour program covers all of the sites, churches, and activities you desire.
