

What Makes a Meaningful Christian Tour of Israel?

Walking through Israel brings new perspective to familiar Scripture as you experience the places, landscapes and history of the Bible firsthand.

Experienced, Licensed Guides

An experienced, licensed Christian guide brings biblical history, culture and geography together, helping travelers better understand Scripture in places such as Jerusalem, Bethlehem, Nazareth, the Mount of Olives and the Sea of Galilee.

A Biblically Connected Itinerary

A thoughtfully designed itinerary connects each site to Scripture and to the journey as a whole. Each day builds upon the next, helping travelers understand biblical events within the land where they took place.

Time for Faith

Prayer, worship, Scripture readings, devotionals and quiet reflection are an integral part of a meaningful Christian journey through Israel, creating opportunities for both personal faith and fellowship.

Comfortable, Thoughtful Pacing

A well-planned tour balances sightseeing, walking, transportation, meals and rest, allowing travelers to fully experience each destination without feeling rushed—especially important for multigenerational groups.

Beyond the Famous Sites

Some of Israel's lesser-known places can provide the most powerful biblical context. Ancient roads, villages, archaeological sites, gardens and scenic overlooks offer a deeper understanding of biblical life and the landscapes of Scripture.

Designed Around Your Group

Every group is different. Churches, families, pastors and returning travelers have their own interests and goals. A customized tour can reflect your group's priorities through the itinerary, pace, teaching opportunities, worship experiences and site selection.

Seamless Planning

From accommodations and transportation to meals, scheduling and day-to-day logistics, thoughtful planning allows travelers to focus on what matters most—the land, Scripture, fellowship and their experience in Israel.

Memories That Last

Standing in Jerusalem, sailing the Sea of Galilee and walking through the hills and valleys of Israel can forever change the way you picture familiar passages of Scripture.

Experience Israel With Coral Travel & Tours

Coral Travel & Tours creates customized Christian tours of Israel for churches, pastors, families and groups. With decades of Israel travel experience, carefully selected licensed guides, personalized itineraries and dedicated support throughout the journey, Coral helps groups experience Israel in a way that is meaningful, well planned and centered on their faith.
